APRIL CLASSES CONTINUING ONLINE

Thank you for continuing to support Swamplight and for keeping our Theatre running. We hope you will be continuing with us this April online! We are so grateful for you hanging in there with us as we face uncharted times together. We can't wait until we can pick-up classes as usual, but we are excited to be able to continue classes and lessons online for the whole month of April! We want to make sure your kids have an outlet for creativity through this crazy time.

We are still planning on continuing with our Spring Showcase and Yearbook. No one is certain when we can come back in person, so we will take it a month at a time. Keep checking in with us and we will keep you informed with new dates and information.

If you know of anyone who is interested in joining in on our online classes, this month please let them know we are allowing new students to participate. Go to our Facebook group Kay Butler Performing Arts Project or email kaybutlerpap@gmail.com to find our Google Sign In Form to join in on all the fun happening this month online!

Aymond Siblings named Students of the Month for April

The Kay Butler Performing Arts Project is excited to announce **Cooper and Rachel Aymond** as the April Students of the Month! Cooper and Rachel have been a shining light in all our classes online and in-person. They are definitely hard workers and imaginative thinkers. They have been uplifting, supportive and so much fun during this crazy transition into online classes. We appreciate all our hard working kids through these trying time. A LETTER FROM ONE OF OUR DIRECTORS KENDEL SMITH

So here I sit on my front porch wondering what's missing? Hmmm, it's awfully quiet and suddenly it dawns on me! Why aren't I at Swamplight sitting in the canteen and having all those young'ns buzzing around?

It's you guys! I'm missing all of you, kids and parents alike! We're going through some interesting times right now. We all know what we have to do to get through this. Self isolation isn't a bad thing. It's given me time to clean my house, mow my lawn 3 times, organize my closets, plant tomatoes and peppers in pots, get in touch with long lost friends and thanks to technology we're lucky enough to have ZOOM and FaceTime and all sorts of wonderful ways to keep up with each other.

In fact, we are trying our best to keep our virtual doors open to you! I've managed to keep our theatre production class going strong. I've discovered an amazing thing....I can actually mute everyone when I want to talk! Oh, if I could only do that in real time. And all the other teachers are having their classes via the internet! Not only is it a valuable way to teach more importantly it is a way to stay connected. It's a way to keep contact and let everyone know we are all well. This may be our new normal for a little while, but we will get through this. I seriously miss seeing all of you!

I, Miss Barbie, and all the folks at Swamplight want to keep our performing artist souls alive and well. Hope to see you on ZOOM.

Live long and isolate! (Live long and prosper)
I love all of ya!
Kendel

Kendel will be holding a Zoom Meeting Next Monday, April 6 at 7-7:30 p.m. for all our Swamplight Family just so we can see each others smiling faces and catch up!

Meeting ID: 616 190 277
Password: 023719

Everyone is invited: kids, parents, siblings, whoever wants to pop in and say HI!
